PROCEEDINGS 2 DEPUTY COMMISSIONER BLONIEN: We are on 3 record. 4 PRESIDING COMMISSIONER DAVIS: All right. This is a subsequent parole consideration hearing 5 for Fikri Bavramoglu. Todav's date is October 6 7 25th, 2006. We are located at the Correctional 8 Training Facility at Soledad. The inmate was received on 10/12/82 from Marin County for murder 9 10 second, Case Number 8215, with a life term beginning on 10/12/82, with a total term of 15 11 12 years to life and a minimum eligible parole date of April 19th, 1990. And the -- this hearing is 13 14 being tape recorded; so for purposes of voice 15 identification, we'll each state our first and 16 last name, spelling the last name. I'll start 17 and move to my left; and, 18 Ms. Mitchell, we will have you read in last. 19 Well, I'll start with my left [verbatim]. I'm 20 James Davis. D-a-v-i-s; Commissioner. 21 22 DEPUTY COMMISSIONER BLONIEN: I'm Noreen 23 Blonien, B-l-o-n-i-e-n; I'm a Deputy 24 Commissioner. 25 ATTORNEY FERGUSON: Peter Ferguson, 26 F-e-r-q-u-s-o-n; counsel for the inmate. 27 COMMISSIONER ENG: Janice Eng, E-n-q;

- 1 Commissioner, observing.
- 2 PRESIDING COMMISSIONER DAVIS: All right,
- 3 Ms. Mitchell, you are next.
- 4 DEPUTY DISTRICT ATTORNEY MITCHELL: Yes.
- 5 Kathryn Mitchell, M-i-t-c-h-e-l-l; Marin County
- 6 District Attorney's Office.
- 7 PRESIDING COMMISSIONER DAVIS: And for the
- 8 record, Ms. Mitchell joins us by telephone
- 9 conference at the request of the Board, and the
- 10 Marin County District Attorney's Office has made
- 11 an exceptional effort to be with us today to help
- 12 -- help us with some calendar issues. So, Ms.
- 13 Mitchell, I want to officially recognize you for
- 14 that effort. Thank you very much.
- 15 **DEPUTY DISTRICT ATTORNEY MITCHELL:** You're
- 16 welcome.
- 17 PRESIDING COMMISSIONER DAVIS: All right.
- 18 And the record should note also that Mr.
- 19 Bayramoglu is not here with us today by his own
- 20 choice, and we will have one of the correctional
- 21 officers here with us in a little bit to explain
- 22 that further, but it is something that he has
- 23 indicated by his own choice. He does not wish to
- 24 be here. And, Counsel, I believe you had some
- 25 contact with him as well?
- 26 ATTORNEY FERGUSON: I did. I was here at
- 27 the facility approximately a month ago for the

- 2 refused to meet with me. He had corresponded
- 3 with me, though, on two different occasions and
- 4 indicated his desire not to attend today.
- 5 PRESIDING COMMISSIONER DAVIS: All right.
- 6 Very well. You have the letters in that regard?
- 7 ATTORNEY FERGUSON: I do, but they're
- 8 actually conspicuously stamped as being
- 9 attorney/client confidential [inaudible] --
- 10 PRESIDING COMMISSIONER DAVIS:
- 11 [inaudible], yeah. Okay.
- 12 **ATTORNEY FERGUSON:** I can express to the
- 13 Board the essence of the letters though.
- 14 PRESIDING COMMISSIONER DAVIS: All right,
- 15 very well. Thank you. And for the record, I
- 16 should repeat that on -- it's not dated,
- 17 unfortunately -- [inaudible] 1073 Form that it
- 18 indicates under Inmate's Signature, it says,
- 19 "Refused to sign"; but there are no disabilities
- 20 identified as being [inaudible] to the Americans
- 21 with Disabilities Act. And, Counsel, in your
- 22 contact with the inmate, have you ever noticed
- 23 anything that might preclude him from either
- 24 being here at the hearing or making the
- 25 appropriate conscious decision not to attend?
- 26 **ATTORNEY FERGUSON:** No, sir.
- 27 PRESIDING COMMISSIONER DAVIS: Okay. And

1 I know you're not a mental health professional by

- 2 any means, but -- I don't think you are.
- 3 ATTORNEY FERGUSON: I do, actually, have a
- 4 background working in mental health. But the
- 5 assessment of my communications with him is that
- 6 he is quite intelligent; but reading between the
- 7 lines, it seems as if he is, perhaps, a little --
- 8 not delusional, but his judgment, I would say, is
- 9 impaired in terms of how he's perceiving his
- 10 predicament and what he can do to enhance his
- 11 situation.
- 12 PRESIDING COMMISSIONER DAVIS: [inaudible]
- that this is a conscious choice on his part?
- 14 INMATE BAYRAMOGLU: I do.
- 15 PRESIDING COMMISSIONER DAVIS: All right,
- 16 thank you. All right then, this hearing will be
- 17 conducted pursuant to Penal Code Sections 3041
- and 3042 and the Rules and Regulations of the
- 19 Board of Prison Terms governing parole
- 20 consideration hearings for life inmates. The
- 21 purpose of today's hearing is to, once again,
- 22 consider the number and nature of the crimes for
- 23 which the inmate was committed, his prior
- 24 criminal and social history, and his behavior and
- 25 programming since his commitment. We have had
- 26 the opportunity to review his Central File and
- 27 his prior hearing transcripts, and he will be --

1 he would have been -- given an opportunity to

- 2 correct or clarify the record; however, he can do
- 3 that by written form when he receives his
- 4 transcript if he so chooses. We will reach a
- 5 decision today and inform you whether or not we
- 6 find him suitable for parole and the reasons for
- 7 our decision. If he is found suitable for
- 8 parole, the length of his confinement would be
- 9 explained to him. Nothing that happens here
- 10 today would change the findings of the court.
- 11 The panel is not here to retry his case. We are
- 12 here for the sole purpose of determining his
- 13 suitability for parole. This hearing will be
- 14 conducted in effectively two phases. First I
- 15 review the crimes for which he was committed, as
- 16 well as his prior criminal and social history.
- 17 Then Commissioner Blonien will review his
- 18 progress since his commitment, his counselor's'
- 19 report, psychological evaluations, parole plans,
- 20 and any letters of support or opposition as they
- 21 . may exist. There will be no questioning, of
- 22 course, as Mr. -- the inmate -- is not here with
- 23 us. The defense attorney will, of course, be
- 24 offered the opportunity for a final closing
- 25 statement as -- and then followed by that, the
- 26 District Attorney's final closing statement. The
- 27 California Code of Regulations states that

1 regardless of time served, a life inmate shall be

- 2 found unsuitable for and denied parole if in the
- 3 judgment of the panel the inmate would pose an
- 4 unreasonable risk of danger to society if
- 5 released from prison. The inmate has certain
- 6 rights. Those rights include the right to a
- 7 timely notice of this hearing, the right to
- 8 review his Central File, and the right to present
- 9 relevant documents. Counsel, are you satisfied
- 10 that your client's rights have been met today?
- 11 ATTORNEY FERGUSON: Yes, sir.
- 12 **PRESIDING COMMISSIONER DAVIS:** And he also
- 13 has an additional right to an impartial panel.
- 14 Counsel, are you satisfied that this panel can be
- 15 impartial?
- 16 **ATTORNEY FERGUSON:** Yes, I am.
- 17 PRESIDING COMMISSIONER DAVIS: He will
- 18 receive a written copy of our tentative Decision
- 19 today. That decision becomes effective within
- 20 120 days, and a copy of the Decision and a copy
- 21 of the transcript will be sent to him. Should he
- 22 have any concerns with that, the Board has
- 23 eliminated its appeals process, but he would have
- 24 the right to go directly to court with his
- 25 concern. And just emphasizing, again this panel
- 26 does accept the findings of the court to be true.
- 27 Commissioner, are we going to be dealing with

- 1 anything from a confidential file today?
- 2 **DEPUTY COMMISSIONER BLONIEN:** There is
- 3 information in the confidential file which we may
- 4 be using today.
- 5 PRESIDING COMMISSIONER DAVIS: All right.
- 6 Should we use any of that confidential file in
- 7 our decision, that will be announced at the time
- 8 that the decision is rendered. And I have passed
- 9 a checklist of documents to counsel here in the
- 10 room. Does the District Attorney also have a
- 11 checklist at your end?
- DEPUTY DISTRICT ATTORNEY MITCHELL: Yes, I
- 13 do.
- 14 PRESIDING COMMISSIONER DAVIS: All right,
- 15 very well. And you're satisfied that you have
- 16 the appropriate documents to proceed today?
- 17 **ATTORNEY FERGUSON:** I have a psychological
- 18 report. The one that I have is dated 2002. I
- 19 just wanted to make sure that there's not a more
- 20 current one that I haven't been provided with.
- 21 PRESIDING COMMISSIONER DAVIS: I don't
- 22 believe so. Commissioner, do you --
- DEPUTY COMMISSIONER BLONIEN: I don't have
- 24 one --
- 25 PRESIDING COMMISSIONER DAVIS: I think
- 26 that is the latest.
- 27 **DEPUTY COMMISSIONER BLONIEN:** I looked

through the file and --1 2.. ATTORNEY FERGUSON: [inaudible] didn't 3 receive it, [inaudible]. PRESIDING COMMISSIONER DAVIS: Are there 5 any additional documents, Counsel, you'd like to 6 . present today? ATTORNEY FERGUSON: No, sir. PRESIDING COMMISSIONER DAVIS: preliminary objections? 9 10 ATTORNEY FERGUSON: Not at this time. PRESIDING COMMISSIONER DAVIS: Very well 11 12 then. For a review of the crime, I'm going to be referring to the Life Prisoner Evaluation dated 13 July 24th, 1995, where it states under Offense 14 15 Summary: 16 "On April 17th, 1980, at 17 approximately 9:15 p.m., police 18 officers responded to a call from 19 United Liquors on 4th Street in San 20 Rafael and observed Fikri Bayramoglu 21 lying on the floor of the store covered in blood. Bayramoglu told 22 23 the officers, quote, 'I killed my 24 girlfriend. God, I killed my 25 girlfriend,' closed quotes. 26 Officers checked the surrounding 27 area and observed small spots of

1		blood which formed a path of travel
2	•	to 1565 4th Street. The officers
3		followed the path of blood to
4		Apartment Number 7 and found the
5		door partially open. The officers
6		looked inside and observed a white
7		female who was nude lying on her
8		back just inside the doorway. The
9 .		officers could detect no signs of
10	•	life from the female who was later
11		identified as Tracy Lee Jones,
12		J-o-n-e-s. The officers noted that
13		Jones had suffered several bullet
14	• • •	wounds to the upper chest portion of
15		her body. The officers also
16		observed a wooden handled six-inch
1.7		knife on the floor near Jones' right
18		elbow. The knife appeared to have
19		blood on it. At about 9:30 p.m., an
20	٠	ambulance left United Liquors, and
21		Bayramoglu was taken to the
22		emergency room at Marin General
23 -		Hospital. A police officer was
24		assigned to accompany Bayramoglu to
25		the hospital, and he noted that the
26		suspect appeared to be suffering
27		from a puncture wound to the upper

1	chest area. Other puncture wounds
2	were noted in the lower right side
3	of his abdomen, six wounds in all.
4	As the suspect was being placed in
5	the ambulance, he asked several
6	times, quote, 'What about Tracy? Is
7	she dead?' closed quotes. He then
8	stated, quote, 'I killed my
9	girlfriend. Please let me die. I
10	stabbed myself in the heart
11	[inaudible] die,' closed quotes.
12	The officer noted that Bayramoglu
13	pleaded with the attending
14	paramedics to let him die. While at
15	the hospital, the suspect stated,
16'	quote, 'Three times I shot her, so 1
17	have two bullets to kill myself,'
18	closed quotes. A few hours later
19	while still at Marin General
20	Hospital, Bayramoglu awoke and
21	stated to a San Rafael Fire
22	Department paramedic that he stabbed
23	himself and attempted to kill
24	himself by plunging a steak knife
25	into his chest in the area of his
26	heart and then he twisted the knife

13		And the source document this was the
14	Probat	ion Officer's Report dated 10/5 of 1982.
15	In ter	ms of prior convictions, the prisoner has
16	no juv	enile record, and the commitment offense is
17	the on	ly adult conviction. In terms of personal
18	factor	s, the prisoner was born in Istanbul,
19 .	Turkey	, on December 12th, 1948. His parents
20	remain	ed united, and the prisoner is the third of
21	five c	hildren. His father has worked all of his
22	life a	s a contractor, and his mother is a
23	housew	ife. The prisoner described his childhood
24	as bei	ng normal and happy. None of his family
25	member	s had ever been arrested. The prisoner
26	attend	ed school in Turkey until approximately the
27	age of	13 or 14, and then he went to work for his

- 1 father. The prisoner was then drafted into the
- 2 Turkish army for two years. After he discharged
- 3 from the army, he worked for a glass repair
- 4 company. In addition to working for his father,
- 5 the prisoner also drove taxis during his spare
- 6 time. In 1973, the prisoner immigrated to the
- 7 United States. While in the United States, the
- 8 prisoner worked sporadically as a house painter.
- 9 The prisoner had never married. After
- 10 immigrating to the United States, the prisoner
- 11 dated several women, but none of the
- 12 relationships could be described as serious. The
- 13 prisoner then met and fell in love with Tracy Lee
- 14 Jones, and he lived with the victim for
- 15 approximately two years before the instant
- 16 offense. The prisoner's overall health is good.
- 17 He does suffer from peptic ulcers which flare up
- 18 from time to time. Due to his ulcers, he does
- 19 not consume much alcohol. When he arrived in
- 20 Turkey -- or excuse me -- when he lived in Turkey
- 21 -- he did not use any illicit drugs. After
- 22 moving to the United States, he started smoking
- 23 marijuana quite heavily. Prior to the commitment
- 24 offense, the prisoner was suspected -- was
- 25 spending -- about forty dollars a day on
- 26 marijuana. The prisoner had also smoked
- 27 marijuana on the day of the commitment offense.

- 1 He has not used any other illicit drugs other
- 2 than marijuana. When the prisoner immigrated to
- 3 the United States, he converted from being a
- 4 Muslim to a Fundamentalist Christian.
- 5 Psychiatrist, Dr. Joseph Gutspadt [phonetic], G-
- 6 u-d-s-p-a-d- [inaudible], prepared a report for
- 7 the court dated 4/13/82 and stated that the
- 8 prisoner was described as being almost
- 9 [inaudible] in his devotion and in his obsessive
- 10 adherence to the Bible and his preoccupation with
- 11 it and, quote, The word of God, 'closed quotes."
- 12 All right, Commissioner? I turn this over to
- 13 you.
- 14 **DEPUTY COMMISSIONER BLONIEN:** The inmate
- last appeared before the Board on 9/16/2-0-2
- 16 [verbatim]. The decision was a four-year denial.
- 17 The panel recommended that the inmate become and
- 18 remain disciplinary free, upgrade vocationally
- 19 and educationally, and participate in self-help
- 20 and therapy. This is his sixth subsequent
- 21 hearing. The inmate [inaudible] this report or
- 22 review his C-File and updated the counselor's
- 23 report by Counselor Peabody dated 08/02 and the
- 24 psych report by Dr. Carswell, C-a-r-s-w-e-l-l,
- 25 dated 5/17/02. The inmate's current custody
- 26 level is Medium A, and his Classification Score
- is 19. On 7/27/06, he was afforded the

- 1 opportunity to review his C-File and he declined
- 2 that opportunity. Since his last hearing, he has
- 3 been unassigned from his PIA Textiles job on
- 4 8/7/02 and has no current work. There is no --
- 5 not any chronos in the file as to any programs
- 6 that he's participated in. He does have 13 115s.
- 7 The last one was prior to his last hearing, so he
- 8 has been disciplinary free since his last
- 9 hearing. The last 115 was 6/12/02 for refusing
- 10 to report for work; and it was after that, and
- 11 reviewing his supervisor's chronos that showed
- 12 satisfactory to below-average work, that he was
- 13 reassigned from PIA [inaudible] on August 7th,
- 14 '02. He also has 13 128s, and the last one was
- on 6/20/02, for being hostile and argumentative.
- 16 And looking at his psych report, it should be
- 17 noted that Dr. Carswell, under Current Diagnostic
- 18 Impressions, gives No Clinical -- No Contributory
- 19 Clinical Disorders. Under Axis II, he notes a
- 20 Personality Disorder, Not Otherwise Specified,
- 21 with Anti-Social Dependent and Grandiose
- 22 Features. Under Axis III, No Contributory
- 23 Physical Disorders and gives him a Global
- 24 Assessment of Functioning score of 75. "In
- 25 talking with the inmate about his commitment
- offense, the inmate is very illustrative in his
- 27 psychological process. He does not talk about

- 1 the victim; he talks about himself. He states,
- 2 'I was never typical criminal. This tragic event
- 3 happened under the extreme severely psychotic
- 4 depression that I was suffering. It was so
- 5 devastating, after she broke up with me, I could
- 6 not go on. I had nothing to live for. I am so
- 7 deeply sorry.' The inmate was sorry about
- 8 killing the victim, his former girlfriend;
- 9 however, one can also see he does not assume
- 10 responsibility, so he is not assuming
- 11 responsibility in a truly remorseful way. The
- 12 inmate states that he is sorry about this
- happening, but he also doesn't see how his
- 14 behavior or his issues play a part." Under the
- 15 Assessment of Dangerousness, Dr. Carswell goes on
- 16 to say, "In terms of risk assessment, things
- 17 appear to happen around this inmate quite
- 18 frequently. In other areas of his medical file
- in another context, this inmate states that he
- 20 needs to be single-celled because he does not do
- 21 well living with a cellmate. Therefore, there
- 22 are other areas where the inmate himself states
- 23 that he is at above-average risk for violence.
- 24 He is responsible for his own behavior; however,
- 25 he has accrued several 115s. He does not appear
- 26 to be above or below risk for violence compared
- 27 to any other Level II inmates. Within the

- 1 community, the risk factors for violence in this
- 2 inmate is unknown. Several factors exist which
- 3 would show that in a community setting, his risk
- 4 for violence would be higher than that of the
- 5 average citizen, mainly due to his lack of
- 6 assuming responsibility and a lack of true
- 7 remorse for his commitment offense. A
- 8 significant precursor which could lead to
- 9 violence for this inmate would be the continued
- 10 denial of any responsibility for this crime and
- 11 continuing along that mindset. Inmate denies any
- 12 alcohol or drug problems, but a return to any
- 13 substance abuse or mind-altering chemicals
- 14 [inaudible] return to any type of criminal
- 15 activity that increase the precursors to return
- 16 to a violent action. Under Parole Plans, it
- 17 should be noted that the inmate continues to want
- 18 to return to Turkey. That in an interview with
- 19 his counselor, he stated that he, as a Muslim
- from Turkey, he would not be safe on parole
- 21 · anywhere in the United States and wishes to
- 22 return to Turkey." There are no letters of
- 23 support from any family members or any plans
- 24 about parole, but there was a letter in the C-
- 25 File from the consulate of Turkey inquiring as to
- 26 when this inmate could possibly have a parole
- 27 date. That's the only correspondence. We did

- 1 send out 3042 Notices and received a letter from
- 2 the District Attorney from Marin County, and she
- 3 is present via phone line. At the appropriate
- 4 time, she will be given the opportunity to speak.
- 5 And, with that, unless there's anything that you
- 6 would like to add?
- 7 ATTORNEY FERGUSON: No. Only inasmuch as
- 8 the inmate has communicated to me his single-
- 9 minded focus on returning to Turkey.
- 10 **DEPUTY COMMISSIONER BLONIEN:** I'll return
- 11 to the Chair.
- 12 PRESIDING COMMISSIONER DAVIS: All right
- 13 then. Is there anything, Mr. Ferguson, that you
- 14 would like to clarify or inquire about at this
- 15 point?
- 16 **ATTORNEY FERGUSON:** No.
- 17 PRESIDING COMMISSIONER DAVIS: Does the --
- 18 before we move on to closing statement, does the
- 19 District Attorney have anything that you would
- 20 like to qualify -- or clarify -- or ask questions
- 21 about?
- 22 **DEPUTY DISTRICT ATTORNEY MITCHELL: No.**
- 23 PRESIDING COMMISSIONER DAVIS: All right.
- 24 Very well then. Closing?
- 25 **ATTORNEY FERGUSON:** Well, I'm a bit
- 26 hampered inasmuch as the inmate refused to meet--
- 27 PRESIDING COMMISSIONER DAVIS: Oh, I'm

- 1 sorry. I went to you -- Ms. Mitchell, is -- it
- 2 is to you for closing.
- 3 DEPUTY DISTRICT ATTORNEY MITCHELL: All
- 4 right. Thank you very much. I also continue to
- 5 strongly object to the parole of Mr. Bayramoglu.
- 6 This was a situation where he murdered his 21-
- 7 year-old girlfriend because she was attempting to
- 8 break off their relationship. In essence, his
- 9 position was, "If I can't have her, then nobody
- 10 can"; and so he planned to take her life. He
- 11 lured her to his apartment on the pretext of
- 12 their having a romantic interlude, and then he
- 13 shot her multiple times, killing her brutally.
- 14 Then he made some gestures about taking his own
- 15 life; of course, he did not take his own life but
- 16 survived to go to trial and plead his innocence.
- 17 He was disruptive through the entire court
- 18 proceedings. At one time, he actually attempted
- 19 to run from the courtroom; and the record shows
- 20 that the investigating detective actually had to
- 21 chase him down and tackle him in order to
- 22 apprehend him. Very shortly after this crime,
- 23 Mr. Bayramoglu basically began to take on the
- 24 position that he, and not Tracy Jones, was
- 25 actually the victim of these events; and that's
- 26 pretty much been his attitude to date over the
- 27 years, as we can see by his denying today to even

- 1 come before the Board to argue for release back
- 2 into the community. This crime had a very
- 3 devastating impact on the victim's family. As I
- 4 say, she was only 21 years of age. Her family
- 5 members, I believe, have written letters to the
- 6 Board stating the impact on the family of the
- 7 loss of their sister and their relatives. She
- 8 was much -- very much -- loved within her family.
- 9 Mr. Bayramoglu, this inmate, over the years has
- 10 continued to portray himself as the victim. He
- 11 shows no remorse -- genuine remorse I mean -- or
- 12 insight into what was it that precipitated this
- and how society could be assured that something
- 14 like this could never happen again. He has been
- disruptive in prison; he has numerous
- 16 disciplinary actions against him; he has failed
- 17 to program in any way, shape, or form; and his
- 18 parole plans are non-existent, really. I do not
- 19 think that the parole board or any rational body
- 20 of reviewing the history of this case could
- 21 assume that Mr. Bayramoglu is, or practically
- 22 ever will be, suitable for parole. The Marin
- 23 County District Attorney's Office will continue
- 24 to follow this case. We are asking that you deny
- 25 this inmate parole for at least four years. It
- 26 is unlikely that he will, even in that period of
- 27 time, become even remotely suitable for release.

- 1 This is always a very emotional thing for the
- 2 victim's family to have to gear up for these
- 3 proceedings. I have been in contact with them,
- 4 and they continue to follow the course of this
- 5 case very carefully because of the impact of the
- 6 loss of their sister. So thank you for the
- 7 opportunity of letting us enter our argument, but
- 8 we would strongly urge that you continue to keep
- 9 this individual locked up so that the community
- 10 can be safe from him. Thank you very much.
- 11 PRESIDING COMMISSIONER DAVIS: All right.
- 12 Thank you. Counsel?
- 13 ATTORNEY FERGUSON: Yes, just briefly. In
- 14 arriving at a decision here today, I would ask
- 15 the Board to take into consideration the fact
- 16 that the inmate has been disciplinary free since
- 17 June of 2002; he has no criminal history apart
- 18 from the life crime; and with regard to the
- 19 evaluation of dangerousness, Dr. Carswell had
- 20 indicated that a significant precursor which
- 21 would lead to violence for this inmate would be
- the continued use of alcohol or drugs. I'm not
- 23 aware of his involvement of either of those
- 24 matters within custody -- during incarceration, I
- 25 should say -- and, on that, we would submit.
- 26 **PRESIDING COMMISSIONER DAVIS:** All right.
- 27 Thank you. Ms. Mitchell, we do have three

- 1 letters from the victim's next of kin. They are
- 2 marked as confidential, however, they [inaudible]
- 3 appear to be.
- 4 DEPUTY COMMISSIONER BLONIEN: The
- 5 attachment, the envelopes --
- 6 PRESIDING COMMISSIONER DAVIS: Right.
- 7 **DEPUTY COMMISSIONER BLONIEN:** -- are
- 8 confidential.
- 9 PRESIDING COMMISSIONER DAVIS: Okay. So
- 10 you're not aware of any reason why those letters
- 11 would be kept confidential, are you?
- 12 DEPUTY DISTRICT ATTORNEY MITCHELL: No,
- other than, of course, the -- maybe the contact
- 14 information --
- 15 PRESIDING COMMISSIONER DAVIS: Yes.
- 16 DEPUTY DISTRICT ATTORNEY MITCHELL: -- of
- 17 these individuals, their address or anything like
- 18 that.
- 19 PRESIDING COMMISSIONER DAVIS: Yes,
- 20 certainly. We will go ahead and read those into
- 21 the record then at this time. And the first one
- 22 -- "This is my statement regarding the upcoming
- 23 parole hearing for Fikri Bayramoglu. On April
- 24 30th, 2003, [verbatim] Amanda Karen Ausloos, A-u-
- 25 s-l-o-o-s, was murdered by her estranged
- 26 boyfriend. Amanda was my stepdaughter. Her
- 27 boyfriend, after shooting her, successfully

- 1 murdered -- [inaudible] misprint on this but -- I
- 2 remember her father and siblings had wished him
- 3 alive so that -- just one second. Well, I
- 4 remember her father and siblings had wished him
- 5 alive so that he could have lived with his guilt
- 6 and suffering, but after I have been through this
- 7 before -- on April 17th, 1980, my younger sister,
- 8 Tracy Lee Jones, was murdered by her estranged
- 9 boyfriend, Fikri Bayramoglu. The difference is
- 10 he lived. Not only my life but my entire
- 11 family's lives have been tortured daily by
- 12 memories, hopes, and fears. Most memories are
- 13 good until that day. We had 21 years spent with
- 14 a loving, caring, soon-to-be productive adult who
- should have had a chance to be a companion,
- 16 mother, and mentor and someone we know who would
- 17 have been a friend to all she knew. These were
- 18 her hopes and ours. Fikri took so much from all
- 19 of us. To add to all of this, the fear still
- 20 persists each day and every day because we have
- 21 to live with the prospect that Fikri will one day
- 22 be free. His parole is our nightmare. We are
- 23 the innocent and decent contributing to working
- 24 society but suffer with the possibility of those
- 25 who have committed horrendous crimes to come out
- 26 of their captivity or their captive environments
- 27 and release their anger once again. I plead with

- 1 the courts and parole board or anyone else who
- 2 cares to listen to see this crime and this man
- 3 for what he did and who he is and keep him where
- 4 he belongs. I truly don't know if I could
- 5 withstand another heartbreak of this kind. It's
- 6 just so cruel." Signed Dana Kaiser [phonetic],
- 7 hyphen, Ausloos, A-u-s-l-o-o-s, and dated
- 8 September 19th, 2006. And then another letter
- 9 dated September 20th, 2006, from Brandon Harris.
- 10 "To Whom it May Concern, on April 17th, 1980, a
- 11 day that I will never forget, my phone call -- or
- 12 a phone call -- came to our home that unleashed
- 13 an unspeakable horror and sorrow. I was only 10
- 14 years old at the time, but I remember it like it
- 15 was yesterday. My aunt, Tracy Lee Jones, was
- 16 murdered on this day by Fikri Bayramoglu. My
- 17 mother, Michele Ann Harris, her name at the time,
- who had to basically raise her 21-year-old
- 19 sister, was devastated. At 10 years old, I
- 20 became aware of how cowardly and cruel people in
- 21 this world can be. Tracy Lee Jones was not
- 22 allowed to live out her life, due to the cowardly
- 23 and callous actions of Fikri Bayramoglu.
- 24 Releasing this man from prison will cause our
- 25 family anxiety and fear that we do not deserve.
- 26 This man made a choice to murder an innocent
- 27 young lady, and the 26 years of prison -- and 26

- 1 years of prison -- time does not compensate for
- 2 the loss he caused so many people. Please do the
- 3 right thing and keep this man in prison." And
- 4 then a -- and then later -- and that letter
- 5 [inaudible] was September 20th, 2006. And
- 6 finally a letter dated September 18th, 2006, by
- 7 Mickey Harris, hyphen, Davis. "This is my
- 8 statement regarding the upcoming parole hearing
- 9 for Fikri Bayramoglu. On April 17th, 1980, my
- 10 younger sister was murdered by Fikri. I received
- 11 a phone call -- the one you hear about other
- 12 people getting and never think it can happen to
- 13 you or your family: 'Your sister is dead. She
- 14 was shot four times.' My mother who was at
- 15 Stanford Hospital at the time battling cancer.
- 16 Not only do I have to live with the pain of
- 17 receiving that call about my baby sister, but I
- 18 also had to deliver the news to my mother who was
- 19 lying in a hospital bed. We tried to cope. We
- 20 had the funeral. We went to work to escape the
- 21 terrible pain, the pain that still lives today,
- 22 however, every day in our hearts and minds and in
- our prayers, the pain that sent me home from work
- 24 today to try to write this statement just one
- 25 more time. Every parole hearing brings back the
- 26 original pain for me as though it happened
- 27 yesterday. Tracy was kind; she was generous.

- 1 She wanted to keep Fikri, but he was having a
- 2 hard time adjusting to life here. He was having
- 3 a lot of difficulty with the English language, he
- 4 had difficulty trusting anyone, he allowed my --
- 5 or followed -- my sister when she went out with
- 6 her girlfriends and listened to her phone calls.
- 7 He was so jealous and needy that she finally had
- 8 enough and moved in with our mother to get
- 9 herself a job in the [inaudible] industry and
- 10 made new friends. He kept calling her to come
- 11 back or at least to come and get her stereo. She
- 12 finally agreed to come pick up the stereo. That
- was April 17th, 1980, the day that he planned her
- 14 death and shot her four times and killed her. My
- 15 grandmother asked me what Tracy was like, and I -
- 16 and I explained that she was kind and generous
- 17 -- I'm sorry -- my grandchildren asked me what
- 18 Tracy was like, and I explained that she was kind
- 19 and generous. They will never have the
- 20 opportunity to know her, however, because his
- 21 anger robbed of them -- robbed them of her. We -
- 22 my husband, my children, my grandchildren, my
- 23 sister and her family -- would not feel safe if
- 24 we -- if he -- were let out of prison. If he
- 25 obtained an unmarked gun before, he could do it
- 26 again. Our decisions decide our lives. Fikri
- 27 made his decision on April 17th, 1980, when he

- 1 planned my sister's death and robbed us of 21
- 2 years -- robbed us of a 21-year-old red-haired
- 3 girl just beginning her life. He needs to think
- 4 about what he did for the rest of his life in
- 5 prison where he cannot harm another human being."
- 6 That, again, is signed by Mickey Harris-Davis.
- 7 Does that conclude all the letters, to the best
- 8 of your knowledge,
- 9 Ms. Mitchell?
- 10 DEPUTY DISTRICT ATTORNEY MITCHELL: Yes,
- 11 there is a letter from the Marin County District
- 12 Attorney and then a letter from myself, which I
- 13 believe you have made reference to already.
- 14 PRESIDING COMMISSIONER DAVIS: Yes,
- 15 correct.
- 16 **DEPUTY DISTRICT ATTORNEY MITCHELL:** Okay.
- 17 That's it.
- 18 PRESIDING COMMISSIONER DAVIS: All right.
- 19 Officer, I understand that you had direct contact
- 20 with Mr. Bayramoglu; is that correct?
- 21 **OFFICER WEIGELT:** Yes, sir.
- 22 PRESIDING COMMISSIONER DAVIS: And that
- 23 was at the direction of the panel to ensure that
- 24 he knew his hearing was coming up and that he did
- 25 have a right to attend it; is that correct?
- OFFICER WEIGELT: Yes, sir.
- 27 **PRESIDING COMMISSIONER DAVIS:** And also to

	21
1	present him with some paperwork as prepared by
2	his counsel with regard to any possible
3	stipulation; is that correct?
4	OFFICER WEIGELT: Yes, sir.
5	PRESIDING COMMISSIONER DAVIS: And what
6	was his response to you?
7	OFFICER WEIGELT: On both counts, he
8.	refused, stating that to pardon my language
9	"Fuck the Board and fuck the hearing."
10	PRESIDING COMMISSIONER DAVIS: All right.
11	And you know that the inmate by sight?
12	OFFICER WEIGELT: I know the inmate by
13	sight. I do not work with him on a daily basis,
14	but I know him [inaudible].
1 Š	PRESIDING COMMISSIONER DAVIS: But you're
16	sure you were talking to the right person?
17	OFFICER WEIGELT: I am positive I was
18	talking to the right person.
19	PRESIDING COMMISSIONER DAVIS: You need to
20	identify yourself for the record, please.
21	OFFICER WEIGELT: My name is Officer Briar
22	Weigelt, W-e-i-g-e-l-t.
23	PRESIDING COMMISSIONER DAVIS: Very well.
24	All right. Was there anything else, Officer?
25	OFFICER WEIGELT: No.

26 PRESIDING COMMISSIONER DAVIS: All right.
27 Thank you very much. All right, absent anything

else from defense or the prosecution, we will

1	CALIFORNIA BOARD OF PAROLE HEARINGS
2	DECISION
3	DEPUTY COMMISSIONER BLONIEN: We are on
4	record.
5	PRESIDING COMMISSIONER DAVIS: All right.
6	Let the record reflect that all those previously
7	identified as being in the room or with us by
8	telephone conference have returned. This is in
9	the matter of Fikri Bayramoglu, and I apparently
.0	have been mispronouncing his first name, but I
.1	have it spelled phonetically as Fikri, F-i-k-r-i,
.2	Bayramoglu; CDC Number C-54604. The panel
.3	reviewed all information received from the public
4 .	and relied on the following circumstances in
.5	concluding that the prisoner is not suitable for
.6	parole and would pose an unreasonable risk of
7	danger to society or a threat to public safety if
.8	released from prison. We've come to this
.9	conclusion first by the commitment offense
20	itself. The offense was carried out in an
21	especially cruel and callous manner; the offense
22	was carried out in a calculated manner; and the
23	motive for the crime was inexplicable in relation
24	to the offense. These conclusions are drawn from
25	the Statement of Facts wherein the prisoner, for
26	reasons still best known to himself, armed
7	FIRST BAYBAMOGLU C-54604 DECISION PAGE 1 10/25/06

- 1 himself and shot and killed the victim who was
- 2 not armed and presented no threat to the inmate.
- 3 With regard to a previous record, we find that he
- 4 had no prior record -- no prior arrest record.
- 5 With regard to institutional behavior, we find
- 6 that he has programmed in a limited manner while
- 7 incarcerated, failed to develop a marketable
- 8 skill which could be put to use upon release, not
- 9 sufficiently participated in self-help, and
- 10 failed to demonstrate positive evidence of
- 11 change. His conduct while incarcerated includes
- 12 six 128(a) counseling chronos, the last of which
- 13 was in six of '02 -- I'm sorry -- 13 128(a)s, the
- 14 last of which was in six of 02 -- and 13 serious
- 15 115 disciplinary reports, the last of which was
- 16 in -- also in six of '02. With regard to the
- 17 psychological report dated May of 2002 by Dr.
- 18 Carswell, the panel finds that it is not
- 19 supportive of release; and quoting directly from
- 20 the document under Axis II, "Identifies a
- 21 Personality Disorder and NOS with Anti-Social
- 22 Dependent and Grandiose Features"; and under the
- 23 Review of the Life Crime, again quoting, "When

- 1 the victim; he talks about himself. He stated,
- 2 quote, 'I was never a typical criminal. This
- 3 tragic event happened under the extreme --
- 4 extremely -- severe psychotic depression that I
- 5 was suffering. It was so devastating. After she
- 6 broke up with me, I could not go on. I had
- 7 nothing to live for. I am so deeply sorry,'
- 8 closed quotes. The inmate was sorry -- and it
- 9 goes on -- the inmate was sorry about killing his
- 10 victim, parenthesis, (his former girlfriend),
- 11 closed parenthesis; however, as one can also see,
- 12 he does not assume responsibility, so he is not
- 13 assuming responsibility in a truly remorseful
- 14 way. The inmate states that he is sorry about
- 15 this happening, but he also doesn't see how his
- 16 behavior or his issues played a part." And then
- 17 under the Assessment of Dangerousness, second
- 18 paragraph dedicates [verbatim], "In terms of a
- 19 risk assessment, things appear to happen around
- 20 this inmate quite frequently. In other areas of
- 21 his medical file in other context, this inmate
- 22 states that he needs to be a single -- or be in a
- 23 single cell -- because he does not do well living
- 24 with a cellmate; therefore, there are other areas
- 25 where the inmate himself states that he is above-
- 26 average risk for violence." With regard to
- 27 FIKRI BAYRAMOGLU C-54604 DECISION PAGE 3 10/25/06

- 1 parole plans, he does not have viable residential
- 2 plans and does not have acceptable -- does not
- 3 have employment plans. We would note that he
- 4 does -- has indicated -- to several people,
- 5 apparently, and including counsel, that he wishes
- 6 to return to Turkey; however, he does not have
- 7 support letters -- to note, that should he want
- 8 to do that, he would have to -- should he want to
- 9 transfer his custody to Turkey -- he would have
- 10 to apply to do so, and he would need to see his
- 11 counselor to obtain specific information on how
- 12 that might be accomplished. With regard to the
- 3042 Notices, we note that the District Attorney
- 14 from Marin County was here in person by
- 15 representative by telephone conference and does
- oppose parole. Nevertheless, we do want to
- 17 commend the inmate for being disciplinary free
- 18 since his last hearing. However, this positive
- 19 aspect of his behavior does not outweigh the
- 20 factors for unsuitability. In a separate
- 21 decision, the hearing panel finds that the
- 22 prisoner has been convicted of murder and it is
- 23 not reasonable to expect that parole would be
- 24 granted during the next four years. We've come
- 25 to this conclusion first by the incident offense
- 26 itself. The inmate -- or the offense -- was
- 27 FIKRI BAYRAMOGLU C-54604 DECISION PAGE 4 10/25/06

- 1 carried out in an especially cruel and callous
- 2 manner; the offense was carried out in a
- 3 calculated manner; and the motive for the crime
- 4 was inexplicable in relation to the offense.
- 5 These conclusions are drawn from the Statement of
- 6 Facts wherein the prisoner, for reasons still
- 7 best known to himself, armed himself and shot and
- 8 killed the victim who was not armed and presented
- 9 no threat to him. With regard to institutional
- 10 behavior, we find that he programmed in a limited
- 11 manner while incarcerated, failed to develop a
- 12 marketable skill which could be put to use upon
- 13 release, not sufficiently participated in self-
- 14 help, and failed to demonstrate any positive
- 15 change. His conduct while incarcerated includes
- 16 13 128(a) counseling chronos, the last of which
- was in six of '02, and 13 serious 115
- 18 disciplinary reports, the last of which was in
- 19 six of '02. The psychological report of May 2002
- 20 by Dr. Carswell -- that's C-a-r-s-w-e-l-l -- was,
- 21 again, not supportive for all the reasons
- 22 previously quoted into the record in the first
- 23 decision. With regard to parole plans, we find
- 24 that he does not have viable residential plans
- 25 and does not have employment plans for the United
- 26 States. Although it is his desire to return to
- 27 FIKRI BAYRAMOGLU C-54604 DECISION PAGE 5 10/25/06

- 1 Turkey, he does not have support letters or has,
- 2 apparently, not made any affirmative steps in
- 3 that regard as well. With regard to the 3042
- 4 Notices, we note that the District Attorney from
- 5 Marin County, once again, is here in person by
- 6 representative by video -- by telephone --
- 7 conference and does oppose parole. With regard
- 8 to recommendations, the panel would recommend
- 9 that he have no more 128s or -- 128(a)s -- or
- 10 115s; that, as available, he upgrade
- 11 vocationally; as available, that he participate
- in self-help; that he develop parole plans; earn
- 13 positive chronos; and cooperate with clinicians
- 14 during the upcoming clinical evaluations. And we
- 15 are going to request a new psychological
- 16 evaluation be conducted prior to the next
- 17 hearing. Commissioner, anything you'd like to
- 18 add?
